

RECORD OF AGREEMENT

1 of 2

Suburban Driving School FlexiSupply Co. DBA Phone 440-729-4360

Suburban Driving School shall furnish a licensed instructor and a dual-controlled, fully insured motor vehicle equipped with an automatic transmission, for the purpose of teaching the student. The school does not guarantee that the driver's license will be secured or that lessons will be completed before the student's 16th birthday.

Parents, please remember that even though your child has taken this course and they receive a certificate from Suburban Driving School, they may not be 100% road ready. You are still the final judge of their driving skills. Even if your teenager passes the state driving test, they may not be ready for full time driving. It is up to you, as the parent, to make the final decision about your son or daughter's driving ability. All course work and drive times are available to be finished within a 4 month period. If class location, time or date changes, students are required to finish at another location. The student is fully responsible for keeping track of all classes attended and in-car instruction completed by recording it on the Individual Record. If the student loses the Individual Record and needs to repeat any in-car lesson, there will be a charge for the in-car lesson. Please make sure that the final certificate issued at the completion of the course matches the student's temporary exactly even if the temp has incorrect information and that the certificate is dated and signed before scheduling your final driving test. If there is mistake, contact our office immediately.

Classes

24 hours of classroom instruction required. Students must attend classes # 1 - # 8 if attending 3 hour classes.

These classes can be taken in any order. Pre-registration is required at many classes. Drop in students are considered standby and may be asked to leave if there is no room at the class. Do not take classroom instruction and on road instruction on the same day. Do not repeat the same class number. Please pick up your child on time as the instructor cannot wait with the student and there may not be an indoor area for them to wait in. **DO NOT START THE DRIVING PROGRAM UNLESS YOU ARE 15(1/2) YEARS OLD.**

On Road Instruction

8 hours of on road instruction is required and may be scheduled after attending 1 classroom session if the student is paid in full and has turned in a signed copy of the contract and a copy of their temp. Do not schedule classroom instruction & in cars for the same day. Students should be ready for pick up 1/2 hour before their lesson begins and allow at least 1/2 hour after each lesson for your child to be dropped off once their lesson is done.

When students meet the instructor for driving they MUST HAVE with them:

1. Their Individual record . 2. The validated temporary that has been certified by the State Highway Patrol .3. Gas money. We need 48 hours of notice before canceling an on road lesson. If there is not adequate notification a \$35.00 fine will be charged. Sunday and Monday appointments must be cancelled by Friday. This is necessary because our drivers are paid regardless if your child shows or not. If there is a "no show", no paperwork", "overbooking and not canceling a lesson" or any other failure to fulfill an on road lesson without proper notification there will also be a \$35.00 fine charged per 2 hour lesson.

Use of our car for the Driver's test is available for a fee; call the office for more information. You must be accompanied by one of our instructors and your parents. Appropriate dress and footwear is required during in-cars.

In case of inclement weather we reserve the right to cancel lessons. We reserve the right to determine drop off and Pick up locations. Please see your schedule for pick up locations if we are not picking up at home. If your child is dropped off at a location other than their home, please make sure a responsible adult will meet them promptly at the end of their lesson as the driver cannot wait with them.

TO SCHEDULE IN-CAR INSTRUCTION: Go to www.schedule2drive.com. Our school code is SDS. Pay the required fee on line. This fee is separate from the fee you pay for classes or in car instruction.
